To Whom It May Concern:

I am writing this letter to voice support from the Garfield County Office of Tourism regarding the creation of the Aquarius Trail and Hut to Hut program.

We are fortunate to have such a unique area and this would be an ideal way for us to promote an additional way for outdoor enthusiast to experience the area. This would also stimulate the local economy, as Garfield County relies heavily on tourism as an economic driver.

We are excited about this idea as it comes to fruition, either as a world premier trail to begin with or as a world class hut to hut system. Thank you for your consideration.

Sincerely,

Garfield County Tourism Advisory Board
